

Canterbury welcomes you to *Ladies Who Lunch!*
A monthly celebration of friendship and the
simple joy of gathering with women who lift,
inspire, and support one another.

Enjoy an afternoon of beautifully prepared cuisine,
refreshing drinks, and heartfelt conversation in a setting
designed to feel both welcoming and uplifting.

You are warmly invited to experience this special tradition
and the sense of *belonging* that flourishes here.

We'd love to save you a seat.
