Be Among Friends

Each month we highlight ways we help Verve residents in any of our locations experience the fullness of life in retirement. This month, we're exploring the theme of Be Among Friends

Bloom Together

Be among friends this spring.

As we step into a new season, there's a sense of renewal, connection, and energy throughout our community. Spring is a time to come together, try something new, and enjoy the simple moments that make each day meaningful. At Dr. Hemstock & Hearthstone Place, we truly believe life is better when shared. Whether it's enjoying a morning coffee with friends, participating in engaging activities, or welcoming new faces into our community, there is always something to look forward to. We're excited to bring even more opportunities for connection, celebration, and fun. From themed events and community gatherings to special seasonal experiences.

Gerties 90th Birthday!

This month, we celebrated a resident's very special 90th birthday. Gertie hosted a wonderful party, bringing residents together to connect and celebrate. She looked absolutely fabulous, and the afternoon was filled with laughter, great company, and a beautiful cake.
