

## 2nd Annual Sponsor a Family for Christmas

This holiday season, we're proud to support Jodi—a resilient single mother of three—who has faced tremendous challenges over the past year. Due to unforeseen circumstances, Jodi and her children lost most of their belongings last summer. Currently unable to work due to personal health issues, Jodi is also the primary caregiver for two young children with special needs.

Despite these hardships, Jodi remains hopeful. She's on the path to recovery and plans to enroll in a skills training program early next year to build a brighter future for her family.

By sponsoring Jodi and her sons, you'll help them rebuild this holiday season!
