

Over \$2200 in gifts and gift cards collected!

Your support and kindness have not only made this holiday season brighter for the sponsored family but have also warmed the hearts of the entire Holiday Helpers Team. We are incredibly grateful to have individuals like you who share in our mission of spreading joy and goodwill during this special time of year. All of which has been delivered to Jody and her kids.

As the holiday season continues, we hope you have a truly wonderful and joy-filled time celebrating with your friends and family.

A huge thank you to everyone for helping make Christmas Wishes come true!
