Did You Know...

At Port Credit Residences, summer brings with it a truly special experience thanks to our wonderful friends from Cycling Without Age. Each year, their cheerful volunteers visit our community and take residents on relaxing trishaw rides through the beautiful Port Credit neighbourhood. For many, it's a joyful chance to relive treasured memories of bike rides from years gone by—and to see familiar streets from a whole new perspective.

While these rides have been a highlight for many, we knew there was more we could do. The trishaw wasn't accessible for residents using wheelchairs, and we wanted everyone to have the opportunity to join in on the fun.

Cycling without age

The Knitting Club

Our Knitting Club

That's when our incredible Knitting Group stepped in. With needles clicking and creativity flowing, our talented residents crafted scarves, mittens, decorative items, and more to raise funds in support of Cycling Without Age. Their goal? To help fund an accessibility extension so the trishaw can welcome everyone aboard.

And they raised \$700!!! How amazing is that? We couldn't be prouder of our residents for turning compassion into action and helping make joyful moments more inclusive for all.

Valentine's Love Story Questionnaire

For Couples Who Have Shared a Lifetime Together: Use the questions below as a guideline to tell your story!

1. How did your love story begin?

Where and when did you first meet, and what do you remember most about that first connection?

2. What made you realize this was someone you wanted to build a life with?

Was there a moment, feeling, or turning point that stood out?

3. What is one small everyday habit or gesture your partner does that still makes you smile today?

4. Looking back, what are you most proud of accomplishing together as a couple?

(This could be family, work, overcoming challenges, or simply growing together.)

5. Every relationship has seasons. What helped your love grow stronger during difficult times?

6. What do you admire most about your partner now that you may not have noticed in the early years?

7. What is a favourite shared memory that still brings warmth to your heart?

(It could be a trip, a quiet moment, or something simple.)

8. How have you both changed—and grown—together over the years?

9. What does love mean to you today, compared to when your relationship first began?

10. If you could write a short message to your partner for Valentine's Day, what would you say?

(This may be shared—with permission—as part of our Valentine's celebration.)
