

RIVERWALK

RETIREMENT RESIDENCE

ROOF TOPPING OFF EVENT

With much anticipation, on Thursday, October 21st, Riverwalk shared a milestone as the ribbon cutting ceremony for the final concrete pour of the roof was celebrated and attended by prominent community members including outgoing Ward 8 City Councillor,

Evan Woolley, and Member of Parliament for City Centre, Greg McLean. A fun little fact, did you know that this milestone for Riverwalk is a shared tradition that goes all the way back to 14th Century England, where topping out (or topping off) ceremonies were marked by a yew tree branch being placed at the highest point of the building. Often the personal flag of the owner would be hoisted on top of the building once the shell was complete. In today's construction development, the topping off is traditionally held when the last beam (or its equivalent) is placed atop a structure during its construction.

THE OPENING OF THE PRESENTATION CENTRE

The much-anticipated Riverwalk Presentation Centre is very close to opening, and we are looking forward to welcoming you to our new space. Located at **2424 - 4th Street SW** in what was previously the Tech Shop running store, the Presentation Centre will become the information hub for Riverwalk during its final period of construction. Here, our Future Residents will be able to drop by, find out the latest information about Riverwalk, and reserve their future suite. Invitations to our grand opening will be going out in November. Stay tuned for more details!

MEET OUR COMMUNITY RELATIONS MANAGER

After a long career in the residential and resort development industries, Brent Piercy has joined Verve Senior Living as Riverwalk Retirement Residence, Community Relations Manager. Brent brings a wealth of experience to the Riverwalk team, as well as a passion for working with clients that is guaranteed to make your transition to an all-inclusive resort-style retirement lifestyle as seamless and positive an experience as possible.

“I was retired myself for a number of years and helped move my mother from a large home into a retirement community, so I know first-hand how important, and often stressful, a process it can be for everyone in the family. Becoming involved with Riverwalk is my opportunity to give back and assist people who are considering this lifestyle change. It will be an exciting project, located in what is arguably one of the best locations in the city, with a spectacular level of quality and amenities, and I look forward to meeting the many people who will become our new residents. Please call or email me to make a personal appointment to sit down, relax, and discuss Riverwalk at our new Presentation Centre. I promise you will be thrilled.”
