WALK TOGETHER FOR AWARENESS, SUPPORT & HOPE

Stouffville Creek is proud to support the Alzheimer's Society through a special community walk and fundraising initiative.

Today, more than 500,000 Canadians are living with dementia, and that number is expected to nearly double by 2031. Together, we can help raise awareness, provide support, and bring hope to individuals and families affected by Alzheimer's and other forms of dementia.

WHY YOUR SUPPORT MATTERS

Funds raised will help the Alzheimer Society provide education and support programs, resources for families and caregivers, community services for individuals living with dementia, and advocacy and awareness initiatives.
