## YOU BET YOU CAN BRING YOUR PET!

*We wouldn't have it any other way.*

### YOUR PETS CAN COME WITH YOU

They're some of our cutest, cuddliest residents and we love them for the positive effect they have on our seniors. Having a pet can help people focus on the here and now, lower blood pressure and lessen loneliness.

With so many physical and emotional benefits, there's no way we'd consider not letting residents bring their beloved pets to join them in retirement.
