Community Engagement

We treated the staff at Southlake Hospital to a delightful assortment of ice creams at their most recent Town Hall! Our team arrived with a cooler filled to the brim and everybody enjoyed sweet treats served by Ellie and Melanie, our Community Relations Managers. At Verve, we believe in fostering strong partnerships with our community partners and look forward to coming together again soon!

On Our Block - Flowers 'N Things

Seeking a show-stopping flower arrangement for your special occasion? Look no further! Flower 'N Things Flower Shop will elevate your event with the beauty of nature's finest blooms. Their exquisite flower arrangements are meticulously crafted to bring elegance and charm to any celebration. Located across the street from us on Davis Drive, they are here to make your flower-buying experience a pleasure!

Potatoes Au Gratin

Are you ready to elevate your culinary skills and impress your guests with a gourmet meal? Our very own Chef Curtis McCarty created a showstopping recipe for you to try. A classic French dish that combines thinly sliced potatoes, rich cream, and melted cheese. It's perfect for special occasions or when you simply want to treat yourself to something extraordinary. Serve with your favorite roast. Visit Inspiring Stories section on VerveSeniorLiving.com to grab yourself a recipe card.

Summer Social and Celebration

We hosted a social during which our residents and guests were able to come together to celebrate Verve Senior Living being named one of Canada's Best Managed Companies for 2023, recognizing us for our industry-leading performance, exemplary business practices, and sustained growth! We were honored to have the Deputy Mayor Tom Vegh attend the ceremony and speak to everyone at the event.

Team Member Highlight - Heather, Concierge

Heather joined our team as a Housekeeper 4 years ago and since then has moved on to a Concierge role. In the past, she has held secretarial positions for large corporations, but it was taking her away from what she loves most - interacting with people. She enjoys building genuine connections with our residents and guests, and ensures that the experience they receive is nothing short of exceptional! With a warm smile and a genuine desire to assist, she embodies the essence of hospitality that you feel when you first step into our residence.
