

CREDIT RIVER

RETIREMENT RESIDENCE

Location and Neighbourhood

One visit to Credit River Retirement Residence and you'll see the difference in terms of amenities, food, services, programs, and the little touches that make it feel like home. Every day, we create opportunities for our residents to discover new things about themselves, the people around them and the world we live in, helping redefine what it means to be aging, together.

Nestled against the Credit River and Mississauga Road, Streetsville is a breath of fresh air in the city. Originally it was built as a mill town. Streetsville has retained this original small town charm through its preservation of historical buildings. There is plenty to see and do in Streetsville including walking paths that will take you up and down the majestic Credit River.

Life Enrichment

At Credit River, everything we do is to ensure that you have a great day, every day! That's why we hold monthly meetings to recognize that your opinions and suggestions are valued. Our monthly calendar is a great reflection of how we act upon your ideas. Selected by the residents, our engaging activities will inspire you to participate!

- Excursions to museums, galleries, entertainment venues
- Fitness classes including Brain Gym, dance class, and yoga
- Guest speakers specializing in music, art, health, education, technology, and politics
- Regularly scheduled live entertainment
- On-site vendors offering unique clothing, jewelry, and more so you can shop in the convenience of your home
