Community Engagement

We were honored to sponsor the annual Rally in the Ravine in support of North York General Hospital! It was an amazing day of racing, community fun, and rallying. We had the pleasure of hosting a table where we engaged with attendees, answered their questions, and shared information about the services and options available at our residence. It was inspiring to see such strong community come together to celebrate NYGH and its incredible staff who go above and beyond every day to provide the kind of care everyone deserves.

Sunset on Summer Open House

On September 21st, we hosted a memorable Open House as a way to say goodbye to the season. The day was filled with exciting activities and delightful treats for everyone! Guests enjoyed personalized caricatures as unique keepsakes, a dazzling magic performance, and chef-inspired refreshments. We also had a sunset-themed sip & paint, cotton candy, and a variety of fun games for a chance to win prizes, all complemented by a lively photo booth. It was truly a fun-filled day for all and a perfect way to celebrate the end of summer together!
